Chancellor's Papers (A1)

The Chancellor's Papers comprise a large record group and cover much of the period through the administration of Samuel Schuman. The materials are further divided into a number of discreet record series: Regents Materials, Budget, Campus Buildings, University Committees, UMM Committees, Syllabi, Enrollment, Financial Aid, Legislative Relations, All-University Senate, Student Organizations, Legal and Artifacts, and Miscellaneous and Correspondence. The latter record series proved to be unwieldy and in 2010 was reorganized into 22 record sub-series. These materials provide much of the administrative history of the campus.

Upon the establishment of UMM in 1960, Rodney Briggs, who had been hired to serve as superintendent of the West Central School of Agriculture and oversee the transition to the college program, was named Dean. Briggs served in this position until 1969 at which time John Q. Imholte was named Provost. In 1985 the title of the office was changed to Chancellor, and Imholte continued in that role until his return to the classroom in 1990. David Johnson replaced Imholte, and he, in turn, was succeeded by Samuel Schuman, originally in an interim role, in 1998. Jacqueline Johnson followed Schuman in 2006.

UMM Committees (A1-E)

Chancellor's Papers on Committees include correspondence, memoranda, newsletters, reports, project forms, flow charts, surveys, etc. on diverse matters involving campus governance, committee and task force work at/or connected to UMM. These include but are not limited to the Academic Grievance Committee, the Activity Fee Review Committee (1972-95), the Administrative Committee (1968-69, 1975-78, 1980-84, 1991-95), a briefly lived "Alcohol Policy Committee" (1974), Campus Resources and Planning Committee (1965-87 and 1991-95), Commission for/on Women, the Consultative Committee (1962-63, 1968-95), the Executive Committee (1968-95), Functions and Awards Committee (1971-82, 1991-95), General Education Committee (1987-94), Master Planning Committee (1992-95), the various committees given to minority students, (1973-95); Morris Campus Union Board (1973-84); Scholastic Committee (1968-95). These materials are quite diverse and include grievance reports, activities fee reports/recommendations, committee assignments and members, UMM constitution/by-laws, curriculum changes/updates, student organizations policies, major requirements, to list a few. Some materials discuss personal issues. Of particular interest is the short file of materials from the "Action Committee, 1969-70," which dealt with admissions and freshman seminar issues; the files from the "Academic Dean Search Committee, 1978-79;" the file from the "Athletic Task Force, 1998-99;" materials from the "Black Student Union Task Force, 1978-79;" the "Campus Club Management Committee, 1971-72," which investigated the establishment of a separate club facility for faculty and staff; the rosters of committee assignments from 1969 to 1992; materials having to with constitutional revisions; a significant collection of records from the curriculum committee from the early 1960s through the mid-1990s; materials from various Freshman Seminar (1980-83) and Freshman Year Experience Committees (1968-70, 1973-77, 1979-81, 1991-93); the extensive collection of materials from the Honors Program Committee, especially for the period, 1964-71; the single file devoted to "Project Prosper" (1986-87); Title III grant and program materials (1982-87); a folder of Title IX materials including a "UMM Self Study

Working File;" files from various task forces, committees and initiatives devoted to campus child care issues; and "University 2000" materials.

Principal correspondents include: Jim Togeas, Bettina Blake, John Q. Imholte, Steve Granger, William E. Campbell, David Johnson, Sandy Olson-Loy, Rodney A. Briggs, Gerald Brenden, W. D. Spring, Bruce D. Rolloff, Bert Ahern.
