# Housing & School Enrollment

The data presented below includes statistics related to school enrollment and housing in the Region, including median home values, median rent, median monthly housing costs and vacancy rates for communities in the UMRVDC Region as well as the state of Minnesota.

## 2010 Housing Statistics

City	Median Home Value	Median Rent	Median Monthly Housing Costs
<b>De Graff</b>	<b>\$38,400</b>	<b>N/A</b>	<b>\$600</b>
Bellingham	\$36,900	N/A	\$917
Boyd	\$22,200	\$535	\$550
Clontarf	\$81,900	\$310	\$582
Marietta	\$23,600	N/A	\$560
Porter	\$43,900	\$650	\$863
Swift County	\$97,600	\$453	\$1,024
Minnesota	\$206,200	\$759	\$1,549

Source: US Census Bureau, ACS (2006-2010)

At \$38,400, the median home value in DeGraff is below both Swift County and the state of Minnesota, however fall in the middle compared to other similar sized communities in the Region. The same is true for median monthly housing costs for homeowners. Data for median rent, however is unavailable due to confidentiality, which is typical for a community this size.

## 2010 Vacancy Rates

Source: US Census Bureau, Decennial

Home ownership vacancy rate and rental vacancy rate are the proportion of the homeowner or rental inventory that is vacant "for sale" or vacant "for rent." The overall vacancy rate includes other vacancies such as vacant "sold - not occupied," seasonal housing and vacant "rented - not occupied." In 2010, the city of De Graff had a high rental vacancy rate with 7 of the 12 Census recognized housing units for rent being vacant.

De Graff is part of the Benson School District. The Benson School District, like other school districts in the Region, has seen a steady decline in school enrollment over the past decade, however the decreases in enrollment for the Benson School District are not as dramatic as other districts in the Region. Note that data was only available for public school districts.

UMVRDC staff developed the concept and design for the Community Profile Brochures and data was collected by students and staff from the Center for Small Towns at the University of Minnesota, Morris. All information was collected from trusted sources such as the U.S. Census Bureau, the American Community Survey, Minnesota Department of Employment & Economic Development (DEED), and the Minnesota Department of Education and is presumed to be accurate.

Helping Communities Prosper

# 2010 Census Data for De Graff, Minnesota

This Community Profile Brochure is comprised of statistical information from a variety of sources and will provide a snapshot of historical and current demographic, economic and social trends in the Upper Minnesota Valley Region. Having clear and concise community statistics will provide for more informed decision making about community development and business expansion, relocation and future investments.

This statistical and informational profile was compiled by the UMRVDC in collaboration with The Center for Small Towns at the University of Minnesota, Morris for all five counties (Big Stone, Chippewa, Lac qui Parle, Swift and Yellow Medicine) and 37 cities in our Upper Minnesota Valley region.

## Unemployment Rates, 2000-2011

Source: Minnesota Department of Employment and Economic Development, LAUS

The employment categories shown in the table above and chart below show the 11 Super Sectors of Industry, which is the federal standard in data pertaining to business and industry. There is some activity within the 11 Super Sectors, however, data for the total number of employees and firms are not available, therefore a comparison of activity within the 11 Super Sectors is unavailable. The pie chart below details that in Swift County, about half of all employment comes from the Education and Health Services and Trade, Transportation, and Utilities sectors. Swift County had a slight increase in unemployment during the Recession of 2007-2009, but in 2011 had an unemployment rate under 7.5%.
