Morris, Minnesota 56267

October 3rd, 2011

- a. Forde presented a change in the MCSA budget that was approved through AFRC. The additional SLC Representative stipend was added as a line item for this years' budget out of carryforward from previous years; AFRC did approve this change. This does not change any other line items within the budget.
- b. Vogel thanked Forde for taking the time to appropriate funds for these important positions within student representation.

VII. For Information: SLC Charter *Presented by SLC Directors Preston and Vogel*

- a. Traditionally, the SLC lobbies on behalf of students at the Minnesota State Capitol with a rally in late February. Preston and Vogel have been working on a charter to build a network of communication between all campuses in the U of M system. The goal is to be effective lobbyists on behalf of students by having a unified front.
- b. Charter will be sent out via email to everyone on Forum; it outlines how the Committee functions and describes plans for lobbying efforts. The preamble of the charter provides further details.
- c. Vogel reiterated that working together with all campuses is an important part of the SLC's efforts, and the Charter marks an important step in solidifying the intentions of the organization. Preston explained that the charter helps organize communication between campuses to help each other make a bigger impact overall at the capitol. Public sessions will also be held to energize efforts.
- d. Govada applauded the efforts of our representatives and asked about the feelings of the other campuses. Vogel explained that other campuses may not be as vocal as we are, but input is continually solicited from other campuses. Other campuses will be approving the charter via their own student government organizations.
- e. The charter will be up for MCSA approval at the next Forum.
- f. Forde inquired about how we can keep track of our SLC's efforts. Preston discussed submitting reports to MCSA and working hand-in-hand with campus governance rather than isolating the two types of governance.

VIII. Organization Reports
