(October 30, 2006)-Enjoy an evening of superb dance as the Performing Arts Series at the University of Minnesota, Morris presents the New York Theatre Ballet, one of America's most accomplished and widely respected chamber ballet companies. The company’s performance of “He Loves/She Loves: A Radio Reverie” will be given at 7:30 p.m. Saturday, Nov. 11, in Edson Auditorium.

The Radio Lady, listening to her favorite evening radio programs, dreams of what her life could have been — a frolic of cheerleaders, pom-pom girls, shy library love, ballroom dancing — all to a wonderful Gershwin score. After intermission the fun continues with a sassy romp to the Big Band music of the 30s and 40s and several classical ballet selections.

Primary funding for this series is provided by University of Minnesota, Morris students. The series is made possible in part by a grant from the Minnesota State Arts Board, through an appropriation by the Minnesota State Legislature and a grant from the National Endowment for the Arts.
