FOR IMMEDIATE RELEASE

Dan Moore Becomes UMMAA Board President

Moore is a proud graduate of Morris who is excited to add this new role to his active service agenda.

MORRIS, Minnesota (February 22, 2016)—Dan Moore '07, development and partnerships manager for GiveMN, is the new University of Minnesota, Morris Alumni Association board of directors president. Moore is the 36th president to serve the board.

As an undergraduate Moore was involved in several student organizations, including the Student Senate, the Morris Campus Student Association, and the Performing Arts Committee. He also was a floor representative for Gay Hall, and he worked as the *University Register* photographer and as a member of the Student Center tech crew.

"While I was at Morris I participated in several student governments," says Moore. "We were able to watch our activism get applied to real-world scenarios. Morris became a place of people who challenged you and became lifelong mentors."

Moore is a proud graduate of Morris, where he majored in political science and "minored in everything else." He is an avid volunteer, dividing his time between Gethsemane Episcopal Church, the Champlin Park High School Vocal Music Association, and Sample Night Live. He is excited to add his new role as UMMAA board president to his other service commitments.

"I've come back to Morris often since I've graduated," said Moore. "It's been amazing to watch the campus evolve and develop into what it is today—into a progressive and robust education center that I'm proud to have come from."
